甲組修業規定及學位授予實施細則
NYCU Department of Electronics and Electrical Engineering
Requirements and Implementation Guidelines for Honors Program

112 年 3 月 21 日電機工程學系課程委員會會議通過
Approved by the Curricular Committee, Department of Electronics and Electrical Engineering, on March 21st, 2023
112 年 3 月 29 日電機工程學系聯席系所務會議核備
Approved for reference by the Joint Department Affairs Council, Department of Electronics and Electrical Engineering, on March 29th, 2023
114 年 10 月 3 日電機工程學系課程委員會會議通過
Approved by the Curricular Committee, Department of Electronics and Electrical Engineering, on Oct. 3rd, 2025
114 年 10 月 22 日電機工程學系聯席系所務會議核備
Approved for reference by the Joint Department Affairs Council, Department of Electronics and Electrical Engineering, on Oct. 22nd, 2025

第一條 國立陽明交通大學電機工程學系為規範甲組學生應修習之課業，並使本組學生學位之取得有所依循，特訂定本實施細則。

Article 1 These implementation guidelines are prescribed by the Department of Electronics and Electrical Engineering of NYCU to guide students in pursuing the degree for the Honors Program.

第二條 本組學生之「基礎必修課程」、「專業必修實驗課程」、「專業選修課程」、「校定共同必修課程」與「最低畢業學分」規範，同本系乙組學生之基本修業規範。另須遵循以下規範。

Article 2 The regulations for “Fundamental Courses”, “Major Compulsory Labs”, “Major Elective Courses”, “NYCU General Education Curricular”, and “Required Minimum Graduation Credits” for Honors Program students, are the same as the General Program’s guidelines for fundamental curriculum study with the additional regulations below:

第一項：基礎必修課程中，至少 8 門課第一次修課須修習針對本組同學所開設之課程(英文授課優先)，包含英文授課微積分課程與英文授課物理課程。

Paragraph 1: Among the basic compulsory courses, at least 8 courses, when they are taken for the first time, must be taken from the courses offered for this group of students (English-taught courses prioritized), including English-taught calculus courses and English- taught physics courses.

第二項：本組同學在二年級以上必修本系至少 2 學期專題課程。

Paragraph 2: Students must complete at least 2 semesters of special project courses during their sophomore, junior and senior years.

第三條 本組學生至其他國內外大學、研究機構或業界進修或實習。若有修課之學分證明者，得提出申請，經本系課程委員會通過後，列入畢業學分數計算。

Article 3 Students of the Honors Program, who receive credit certificates from taking classes or from doing trainings or internships at other universities, research institutes or industries, can apply for credit recognition to the Department’s Curricular Committee. If approved, these credits can be included in their graduation credits.

第四條 本細則未盡事宜依本系修業規定實施細則辦理。

Article 4 Matters not covered in this study regulations and the implementation rules for degree granting shall be guided in accordance with the department's study regulations implementation rules.

第五條 本細則經課程委員會通過後，經聯席系所務會議核備後實施，修正時亦同。

Article 5 These guidelines are effective and putting into practice after their approval by the Curricular Committee and subsequently approval-for-reference by the Joint Department Affairs Council. Any amendment hereto shall go through the same process.

第六條 本細則適用108學年度及其後入學甲組學生。

Article 6 These study regulations and the implementation rules for degree granting are applicable to the students enrolled in the 108 academic year and later.
