

# What We Achieved in 2023

## Skills Learning

We've published 30+ posts to help our community members learn what they'll need to perform in workplace.

- Company/Industry Introduction
- English Learning
- Technology News
- Soft Skills in Workplace

## Online Lecture

We initiated 5 lectures covering the topics:

- Semiconductor Industry, NXP, and Department Introduction
- Cross Cultural/Country Communication
- Interview Preparation & Tips
- Female Career and Diversity, Equality & Inclusion Sharing

### CROSS COUNTRY / CROSS CULTURE COMMUNICATION
